Byron Bay

“When I arrived in Byron Bay, it was a Sunday night and everyone was outside and wearing lots of colours, which I love. I have even seen some people just wear their bikini to the supermarket! I really enjoyed my time studying at Lexis and I especially enjoyed meeting new people. My teachers were both really cool and I also loved my homestay, Barbara, she was just perfect! I want to stay here in Byron Bay and I know I will come back one day.”

Streamlined Visa Processing at Lexis English

Students at Lexis Brisbane, Lexis Noosa and Lexis Sunshine Coast who are studying EAP as a pathway to a University of the Sunshine Coast Bachelor, Master's or PhD program may be eligible for Streamlined Visa Processing. Enquire with the school or with your agent to find out if this applies to you!

Streamlined Visa Processing

Streamlined Visa Processing (SVP) is an initiative that was implemented in 2012 by the Department of Immigration.

Under this arrangement, student visa applicants who are eligible for the SVP are assessed for their visa as though they were a low immigration risk (similar to the current Assessment Level 1), regardless of their country of origin. This substantially reduces the amount of documentation required and the length of time it takes to issue the student visa.

Working Students

Dariusz | Poland (Brisbane)

"I am from Poland, but I have been living in Spain for 10 years. I enrolled in a three month General English course at Lexis English. My wife and I came to Australia to travel and study English. My wife and I share a house with two Australian boys in the suburbs. I am a chef back in Spain, so I found it very easy to find a job here in Brisbane. I'm currently working in a hotel doing the breakfast shift on Saturday and Sunday mornings. On weekdays, I work in the mornings from 3am until 7am at the local horse race track preparing the race horses for their training - it's a really interesting job and my wife also works there. When we arrived in Brisbane my wife wanted to get a job working with horses so we went to the track and handed in our CV, to our surprise we got jobs straight away!"

Stanislav | Slovakia (Noosa)

"I am working as a waitress and kitchen hand at a very nice country club called 'Noosa Springs'. I think this is a great opportunity to learn English out of a classroom because everyone is always speaking English and I need to understand what they are saying. I have met an Australian girl who was hired at the same time as me and has invited me to dinner, so I hope to make many friends while I am in Australia. When I finish my course, my plan is to travel around Australia before I return home. I am sure I will take back many nice memories but also invaluable work experience through my job opportunity and hopefully a Cambridge English qualification."

Jerson | Colombia (Perth)

"Hi everyone, my name is Jerson and I come from the eastern part of Colombia. I have been studying at Lexis Perth for nearly 12 months now and I am currently at an advanced IELTS level. Frankly, it has been an amazing journey! I'm really happy that my English has improved so much, if I compare my ability now to what it was like when I first arrived it's like.. Wow! I still have the same job which I got after being here for a month working as a Carer in a nursing home. It's a really good job, it's well paid and I am able to manage my time as it's really flexible. I was lucky and found the job very quickly through a friend of mine here. Very recently I successfully gained a job as a support worker assisting people living with disabilities. It is great fun as I get to take them to the supermarket and the movies and more importantly, speak in English. It is absolutely essential that I speak English well in these jobs as everyone I am assisting is an English speaker."

Rosane | Brazil (Byron Bay)

"Hello, my name is Rosane and I come from Brazil. I am glad I chose to study in Byron Bay, the lifestyle is really similar to Brazil and there are so many beaches to choose from, you can surf and dive; and also it has a small village feel. I found it really easy to find accommodation in Byron; there are a lot of options. I work at Slice Pizzeria in Byron Bay, which is near the beach. I have plenty of hours and enough for my student visa! I wrote my CV and Katherine, my teacher at Lexis, helped me to correct it. The Lexis reception staff printed copies for me and I took them to all of the restaurants and cafes in the area. I don't have any friends in Byron Bay that don't have a job - you just have to be persistent. I think that in Byron Bay it is a good thing to be dedicated and they like people that try hard...Am I happy? Of course I'm happy!"
