Reasons to Love Adelaide

South Australia is one of the largest states in Australia. With a coastline that stretches over 3,700 km, unique and spectacular landscapes, fabulous beaches, a great city vibe and places full of cultural and spiritual significance, there truly is something for everybody in South Australia.

Affordable Living

Adelaide's lower cost of living means that students enjoy great quality of life with rent, transport and food more affordable than most other Australian cities. Statistics show that Adelaide is 19% more affordable to live in than Melbourne and Sydney and 7% cheaper than Perth and Brisbane.

Source: *Study Adelaide*

Location

It's easy to explore Australia from Adelaide. You can fly to Sydney in less than two hours, to Melbourne in around 45 minutes, Perth in under four hours and to Alice Springs for Uluru in about 2 hours. Many airlines offer cheap fares that students can take advantage of during their holidays.

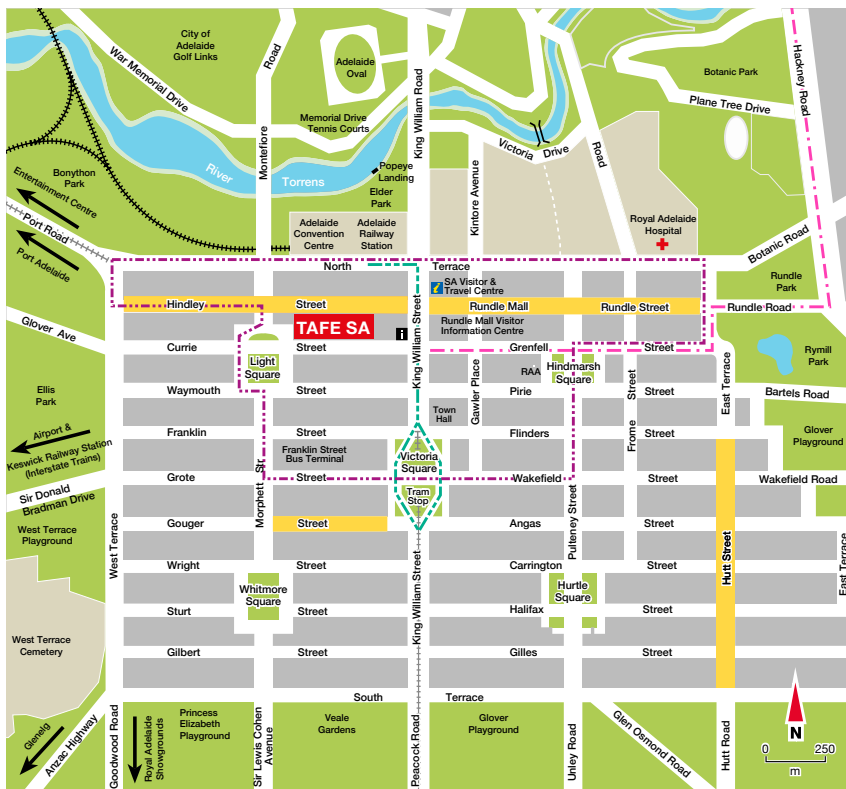

Adelaide,
voted Australia's
most liveable city*

*State of Australian Cities Index Report 2013

Reasons to Love Adelaide

Accessibility

Adelaide is well serviced with public transport including buses, trains and trams that will take you from the heart of the Central Business District (CBD) to the suburban areas of the city and beaches. There is even a free “city loop” bus and tram that will take you around the CBD.

It’s an easy city to walk or cycle around and as long as you bring your international driver’s licence, you’ll be able to drive here too.

Need to get to the airport to catch a flight or pick up a friend? The airport is only a 15 minute drive from the city.

All international students are entitled to a concession when buying public transport tickets. All you need is your student identification card.

TRANSPORT

- Train
- Adelaide – Glenelg Tram
- - - - - O’Bahn Buses

FREE TRANSPORT

- 99b Beeline Bus
- - - - - City Loop

- Visitor Information Centre
- Passenger Transport Info Centre
- Linear Park Track
- Restaurant & Shopping Precincts
- RAH Emergency Entrance

Our state's capital, Adelaide, has a vibrant culture, relaxed living and an exciting future. Voted Australia's most liveable city for 2 years running*, Adelaide is a safe, friendly and affordable metropolis with a bustling retail hub, world-class wine, rich culinary scene and a great appreciation of theatre and art. Adelaide City has also been ranked as one of the top 10 cities in the world to visit by Lonely Planet in their Best of Travel 2014 book.

**State of Australian Cities Index Report 2013*

Safe, welcoming and inclusive

Adelaide has low crime rates and in 2012 it was listed as the safest city in Australia*. With more than 120 nationalities represented in South Australia, it's a multicultural hub, accepting of all races and religions. This means you are free and encouraged to practise your culture and faith without discrimination and you'll have the opportunity to meet and learn about people from every nation.

**Suncorp Bank Family Friendly City Report 2012*

The best of shopping and eating

From leading fashion labels and international brands to designer threads and funky, handmade gifts, you can find it all and more in Adelaide's many retail strips and shopping malls. If local art and craft markets are more your thing, you will find plenty of them too.

If you are a food lover or enjoy international cuisine, you have come to the right city. In Adelaide we are internationally known for our love of all things food. The historical Central Market is where you will find the freshest local quality produce available. We also have plenty of restaurants and cafes from just about every cuisine you can think of, plus there's likely to be a supermarket that sells food from your home country.

Festivals and events

South Australia is known as the Festival State and Adelaide is home to over 400 major events throughout the year. The Adelaide Fringe Festival, Adelaide Festival of Arts, OzAsia, Adelaide Cabaret Festival, Womadelaide and Adelaide International Guitar Festivals are amongst some of the internationally recognised arts and music events. You will find many free events and festivals to attend, particularly during summer when Adelaide is buzzing with art, culture, food and wine events taking place all over the city.

Entertainment

Adelaide has thriving local live music, theatre and arts scenes. From local bands, music festivals, street performers, and visiting international artists, there's always something to see, hear or experience.

Sport

Sport plays a large role in South Australian life and Adelaide's sporting calendar is brimming with major sporting events. There is cricket, soccer, tennis, car racing, swimming and cycling just to name a few.

Ride with the Santos Tour Down Under World Tour Cycling Race, see a cricket test at the historic Adelaide Oval or learn the sport of Australian rules football. Whatever sport you enjoy playing or watching, you'll find it in Adelaide.

Education

Producing Nobel Laureates and Rhodes Scholars, Adelaide has a long and strong history of education stemming over 130 years. As well as TAFE SA, Adelaide is home to five world class universities: The University of Adelaide; University of South Australia; Flinders University of South Australia; Carnegie Mellon University (US); University College London (UK).

Why Study at TAFE SA?

As the state's largest provider of vocational education and training (VET), TAFE SA is at the forefront of developing South Australia's future workforce.

TAFE SA is widely recognised for its excellence in delivering nationally accredited and internationally valued qualifications.

A TAFE SA qualification is a valuable asset wherever your career takes you.

Strong working relationships with business and industry means that TAFE SA courses are designed to provide you with real-world skills.

Whether you are looking for a course with practical training for a specific career or trade, a clever pathway into university or looking for that competitive edge in your career by acquiring new skills, TAFE SA is your practical pathway to the career you want.

Why Study at TAFE SA?

*"I'm looking for a **clever pathway to university**"*

If you dream of going to university but would like to gain the practical knowledge first, TAFE SA is your clever pathway to university.

Many TAFE SA qualifications at Certificate IV, Diploma, and Advanced Diploma level can be used to apply for university entry.

Complete your degree faster

TAFE SA offers clear pathways and generous credit arrangements thanks to its strong connections with universities.

Many of TAFE SA's Diploma, Advanced Diploma and Associate Degree qualifications can gain you credit towards your university degree.

This means that you may be able to complete your university degree in less time and at a lower cost.

Successful completion of a TAFE SA Diploma usually provides up to one year credit for university study and an Advanced Diploma usually provides up to a year and a half credit. Successful completion of an Associate Degree usually provides up to 2 years credit.

Credit transfer explained

Credit transfer is the formal recognition that components of some study/training programs are equivalent in content and level to the components of other training programs. TAFE SA has formal credit transfer arrangements in place with the university sector of South Australia.

Credit transfer results in:

- > Automatic status or credit for eligible students in part(s) of a course/qualification
- > Exemption from that part of the course
- > Shorter course duration and lower cost

Status granted through credit transfer is recorded on your Student Academic Record. There are no fees when applying for recognition through credit transfer*. For further information go to: tafesa.edu.au/international/apply-international-student/int-credit-transfer

**Application fees may be required by your intended education provider.*

The competitive edge

Your TAFE SA qualification provides you with the clever pathway to university. With your completed TAFE SA qualification you'll gain a nationally recognised and internationally valued qualification with academic and real life skills giving you the competitive edge in your career.

Application process

TAFE SA has been approved by the Department of Immigration and Border Protection (DIBP) as a Streamlined Visa Processing (SVP) Provider. Entry to TAFE SA programs under the Streamlined Visa Processing system is limited to TAFE SA Bachelor and Advanced Diploma* programs. 

TAFE SA International will communicate to agents and prospective students when new TAFE SA Bachelor and Advanced Diploma programs become available for applications under the Streamlined Visa Processing System.

For information on current Packaged University Offers available under the Streamlined Visa Processing system, please see page 14.

**The availability of Advanced Diploma programs under the Streamlined Visa Processing system is subject to government approval.*

THE UNIVERSITY
of ADELAIDE

University of
South Australia

Flinders
UNIVERSITY

“ TAFE SA is very affordable compared to doing a university course and with the flexibility of courses; it was the obvious choice for me. ”

Donna Chee – Malaysia
Certificate IV in Hospitality,
Diploma of Human Resource
Management and Diploma of
Business Management

Complete your degree for less

TAFE SA and Adelaide are the affordable study choice. TAFE SA tuition fees are competitive. A completed TAFE SA qualification may also help students to complete their degree faster and generally at a lower cost by providing credit toward their university degree.

The indicative cost per year for TAFE SA Diploma or Advanced Diploma courses is \$12,000 (\$AUD) and the indicative cost per year for most courses at South Australian universities is around \$30,000 (\$AUD).

This means that for every year credit is received from a university for your TAFE SA qualification, there is an indicative cost saving of around \$18,000 (\$AUD) per year.

Example of savings

Jackson wants to complete the Bachelor of Engineering (Electrical and Electronic) at the University of Adelaide. This will cost him around \$30,000 (AUD) for each year of the four year degree or around \$120,000 (AUD) for the whole degree.

Jackson has chosen to study the Associate Degree in Electronic Engineering at TAFE SA which costs around \$15,400 (AUD) a year or around \$30,800 (AUD) for the two year course. When Jackson completes his Associate Degree he can apply for entry to the Bachelor of Engineering (Electrical and Electronic) at Adelaide University and will gain two years credit. This means that he will begin university in the 3rd year of the degree and take just two years to complete his degree.

At the end of the four years, Jackson will have two qualifications, the Associate Degree in Electronic Engineering and the Bachelor of Engineering (Electrical and Electronic).

This is what Jackson's dual qualification will cost him compared to if he had entered university directly:

TAFE + University		University	
1st year TAFE SA	\$15,400*	1st year university	\$30,000*
2nd year TAFE SA	\$15,400	2nd year university	\$30,000
3rd year university	\$30,000	3rd year university	\$30,000
4th year university	\$30,000	4th year university	\$30,000
Total	\$90,800 (AUD)	Total	\$120,000 (AUD)
Indicative Saving	\$29,200 (AUD)		

*Course costs current at time of printing. Check TAFE SA and university websites for current courses costs

University Pathway examples:

I want to study	TAFE SA course	Pathway to University	Qualification	TAFE SA cost
Information Technology	Diploma of Software Development 2 years	Receive 1.5 years credit toward Bachelor of Information Technology – University of South Australia	Dual Qualification	Average cost per year \$10,500*
Business & Marketing	Advanced Diploma of Marketing 1.5 years	Receive 1.5 years credit towards Bachelor of Business (Marketing) - Flinders University	Dual Qualification	Average cost per year \$10,000*
		Receive 1.5 years credit towards Bachelor of Commerce (International Business or Management) – The University of Adelaide		

*Course costs current at time of printing. Check TAFE SA and university websites for current courses costs

Why Study at TAFE SA?

“I’m looking for a **practical career**”

Skills that employers want

Strong working relationships with business and industry mean that TAFE SA courses are designed to provide students with real-world skills that are demanded by employers, making a TAFE SA qualification highly sought after.

Our lecturers are highly experienced and active in their given field of expertise ensuring they stay up-to-date with current industry skills and knowledge. Our teaching methods ensure that concepts are easy to understand, equipping students for continued learning success.

Work placements

Several TAFE SA courses offer the valuable opportunity for students to obtain first-hand experience through work placements as part of their course program. This allows students to test their skills and establish potential employment contacts.

Not all courses offer work placements so be sure to check out the course information for your chosen course at: tafesa.edu.au/international-courses

Recognition

With your TAFE SA qualification you'll gain a nationally accredited and internationally valued qualification with academic and real life skills giving you the competitive edge in your career.

Studying with TAFE SA provides the gateway to life enriching experiences that last a lifetime.

Small classes provide big benefits

Learning with TAFE SA means you will experience small classes, supportive and accessible teachers and flexible study options. The average class size at TAFE SA is 15-25 students. This means the lecturer is able to give each student more personal attention, assistance and encouragement making your study experience more rewarding.

TAFE SA has helped more than one million students get the careers they want over the last 30 years.

“ The quality of the teaching at TAFE SA has meant that I now have very strong skills in hairdressing and in managing my own salon. I can say absolutely that TAFE SA has helped me to achieve my career, my future and a better life. ”

Mananti Pardamean Butar-Butar – Indonesia
Diploma of Hairdressing Salon Management

“ The Fashion Design course is very practical, but we also do theory as well of course. The teachers are very supportive and the other students are all friendly. I would absolutely recommend Adelaide as a place to study. ”

Patricio Banados-Valenzuela – Chile
Diploma of Fashion Design

“I’m looking for a **competitive edge** in my career by acquiring **new skills**”

You may have already finished a higher education or post graduate degree but need practical experience in addition to the theoretical knowledge.

Perhaps you have worked for many years and are looking to increase your knowledge with the most recent and advanced techniques in your field.

Flexibility

With the ability to study from a Certificate III level for 6 months up to an Advanced Diploma level for 3 years, TAFE SA can offer you the flexibility to brush up on your skills, or learn new ones for as little or as long as you like.

Recognition of Prior Experience or Study Recognition of Prior Learning (RPL)

TAFE SA recognises that you may already have knowledge and skills from life and work experience (paid or unpaid), previous courses and training, or self-taught knowledge and skills. If you can provide evidence that you already have the relevant skills and knowledge, you may be able to use this to gain recognition for all or part of a course at TAFE SA. This is known as Recognition of Prior Learning (RPL). Evidence provided for consideration may include certification, references from employers, testimonials from clients and work samples.

Fees apply.

Qualification	Average length of course
Certificate III	6 months
Certificate IV	6 months to 1 year
Diploma	1 to 2 years
Advanced Diploma	1.5 to 3 years

Please note these course lengths are based on individual qualifications. For example, if you already hold a Diploma and wish to continue your studies, you may only need to complete a further 6 months to receive your Advanced Diploma.

University Pathways

TAFE SA offers clear pathways and generous credit arrangements thanks to its strong connections with the University of Adelaide and the University of South Australia.

Successful completion of a TAFE SA Diploma usually provides up to one year credit for university study and an Advanced Diploma usually provides up to a year and a half credit.

- > University pathways
- > Dual qualifications
- > Packaged offers
- > Guaranteed credit*
- > Guaranteed entry
- > Single visa

Packaged University Offers

International students can now apply to TAFE SA for a packaged offer with a local university as TAFE SA is an approved Education Business Partner of both the University of Adelaide and the University of South Australia under the **Streamlined Visa Processing (SVP)** arrangements.

Packaged University offers provide successful applicants with a joint offer in a TAFE SA program and a nominated University program. On receipt of the Confirmation of Enrolments (COEs), international students can apply for a student visa through the SVP system for the total duration of both programs. These applications are deemed as low risk and so are not processed according to the usual Student Visa Assessment Level categories.

A packaged university offer means that on successful completion of their TAFE SA program, students will have guaranteed entry to and will receive credit toward their nominated University program*.

* Conditions may apply

Our Campuses, Learning Centres and Facilities

TAFE SA has campuses in the heart of the city as well as throughout South Australia.

TAFE SA campuses offer a wide variety of specialised training facilities including:

- > Virtual enterprises
- > Theatres
- > Studios
- > Restaurants
- > Kitchens
- > Workshops
- > Nursing wards
- > Dental clinics
- > Simulators
- > Hair and beauty salons

All TAFE SA campuses offer a range of facilities to help you make the most of your studies. All campuses are modern and well equipped with the following:

- > Library with computer suites and study rooms
- > Prayer rooms (available at some campuses - check with your specific campus).
- > Cafeterias
- > Student common areas
- > Food preparation facilities
- > Easy access to public transport
- > Childcare Centres (available at some campuses – check with your specific campus)

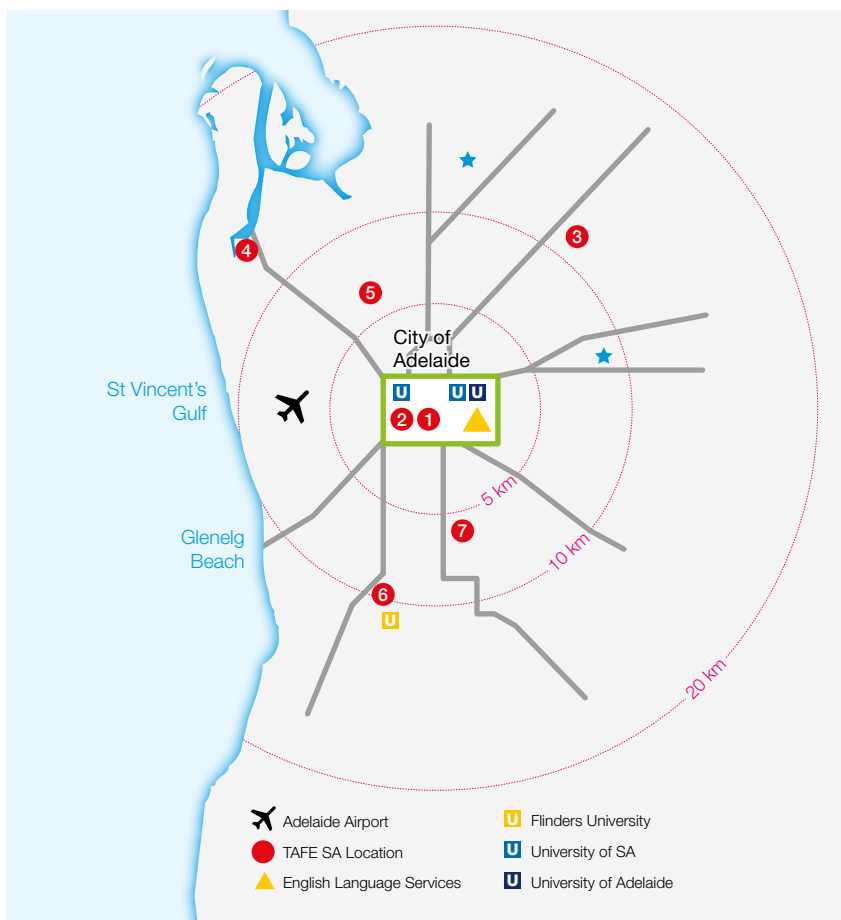

TAFE SA Centres of Excellence and specialised facilities provide leadership with a defined focus in specific industry sectors. Program and subject expertise are brought together from across campuses state-wide to create innovation and best practice. Industry and business are engaged to drive development and ensure currency and relevancy of training. Students are assured that learning in a Centre of Excellence, or specialised facility, provides the most up-to-date education available.

Centres of Excellence include Adelaide College of the Arts, Regency International Centre, the \$120 million Tonsley TAFE located at the Sustainable Industries Education Centre (SIEC) and the \$38 million Mining Engineering and Transport Centre (METC) which supports the growth of the mining, engineering, advanced manufacturing, transport and defence industries in SA.

For full campus details go to: tafesa.edu.au/campuses

** Please note not all courses are available at all campuses*

TAFE SA Locations

Campus	Location (distance from City Centre)	Example of courses offered
1 Adelaide City Campus	City Centre	English Preparation, Business and Marketing, Tourism and Events, Information Technology, Hair and Beauty and Children's Services
2 Adelaide College of the Arts	City Centre	Arts and Fashion Design
3 Gilles Plains Campus	12km	Veterinary Nursing and Applied Science, Community and Health, Landscape Design
4 Port Adelaide Campus	15km	Community and Health, Nursing
5 Regency Campus	7.5km	Hospitality, Food and Wine and the Mining and Engineering Transport Centre (METC), Tourism and Events
6 Sustainable Industries Education Centre (SIEC) at Tonsley TAFE	10km	Building and Design
7 Urrbrae Campus	7km	Environment and Horticulture

Student Services

We understand that sometimes studying as an international student can be a daunting experience.

TAFE SA is committed to helping you achieve your career goals. Our international student support services are designed to help you succeed and are available to assist you from the time of your arrival until your graduation.

A dedicated International Student Support Consultant, together with campus based student service units strive to ensure you have a great study experience at TAFE SA.

Services on offer include:

- > On arrival orientation program
- > Counselling
- > Academic learning support
- > English language support
- > Social and recreational programs
- > Facebook interaction to keep students up to date with events, jobs and other information

For more information about Student Services visit: tafesa.edu.au/international/int-support-services

Counselling service

If you are experiencing difficulties, counselling services can assist with:

- > Career and course choice
- > Help with learning and language
- > Financial advice and assistance
- > Finding accommodation
- > Medical or stress-related problems
- > Personal or family problems
- > Student visa and attendance issues

This is a free service accessible by phone, email or in person.

For more information about Counselling Services visit: tafesa.edu.au/international/int-support-services

Learning support service

If you are experiencing difficulties with any aspects of your course, our learning support provides you with extra teaching assistance to help you reach your goals.

Sessions are available throughout the academic year at all TAFE SA campuses.

Learning support is designed to help you:

- > Organise your course work and study schedules
- > Improve your English language skills
- > Build your mathematical skills
- > Prepare you for tests or examinations
- > Note taking, memory skills and presentations

For more information about Learning Support Services visit: tafesa.edu.au/international/int-support-services

Compulsory health cover

It is an Australian Government requirement that student visa holders contribute to the Overseas Student Health Cover Scheme (OSHC). This insurance will cover your visits to doctors, specialist visits, and hospitalisation, pathology services, x-rays and some prescriptions. Cover must be paid before your student visa is issued. How much you pay for OSHC will depend on the length of your course. The amount payable for your health cover is shown on your Letter of Offer.

TAFE SA has a preferred provider for OSHC, but you are free to choose another health cover provider if you wish.

For more information about OSHC visit: immi.gov.au/students/health-insurance.htm

“ I struggled when I first arrived in Adelaide to adapt to the culture and language. Student services helped me both personally and academically and offered me help with English, counselling and academic support. ”

Satomi Naanishi – Japan
Hospitality Student

Work rights

All student visa holders will receive automatic work rights which will allow them to work during their time in Australia. Students are limited to working 40 hours per fortnight while their course is in session. Students' working hours are calculated from Monday to Sunday.

While TAFE SA does not organise employment, many international students find work in the retail, tourism and hospitality industries.

For employment opportunities visit:

seek.com.au

careerone.com.au

Orientation program

Orientation programs are held at the beginning of each semester over two days for students commencing their studies with TAFE SA.

During the orientation program students are shown around the campus, meet other students and lecturers, start to make friends and get familiar with TAFE SA and Adelaide.

The International Student Orientation Programs are organised by the TAFE SA International Unit and attendance is compulsory. Course areas also hold a student induction which covers course, study and assessment expectations and research skills.

Arrival in Adelaide

FREE airport pick-up and accommodation support

TAFE SA International has engaged Multicultural Youth SA Inc. (MYSA International) to provide TAFE SA international students with a range of orientation, settlement and support services to help them find their way in a new city, feel at home and meet new friends. MYSA International provides the following FREE services:

- > Airport pick-up and transfer
- > Orientation and settlement support
- > Accommodation support
- > MYSA International Buddies

To book any of these services visit:

tafesa.edu.au/international/int-support-services/arrival-pickup and download the student request form.

MYSA International is a not-for-profit, non-government organisation that was established in 1997. MYSA International is the state advisory, advocacy and service delivery body for young people from multicultural backgrounds and is now expanding to provide orientation and settlement support to international students. For more information about MYSA International visit: **mysa.com.au/international**

StudyAdelaide

As well as offering information and support to students about Adelaide, StudyAdelaide runs free international student competitions, giveaways and events. This is a wonderful way to meet other international students and to experience Australian life in Adelaide.

To keep up to date on Adelaide events, competitions and free activities for international students, join the StudyAdelaide student database by emailing: **events@studyadelaide.com**

For further information on StudyAdelaide's services to international students please visit: **studyadelaide.com**

Accommodation

Adelaide has a diverse range of accommodation options to suit all requirements and budgets.

Where to live?

When deciding where to live consider:

- > How far away your campus and other facilities (workplace, sport, library, shops and markets etc.) are
- > Costs (rent and cost of travel)
- > Lifestyle (if you would like to live in the city, suburbs or close to the beach)
- > Preferred living arrangements (if you like to live alone or would like to share with other students.)

The most popular types of student accommodation are student housing (purpose-built apartments or dormitory style residences) and private rental accommodation (apartment or house)

Accommodation types

Student housing

Adelaide has many accommodation options specifically for students. These include dormitory style accommodation, shared apartments (individual bedrooms with shared facilities) or individual studio style apartments. Most of these provide students with a private room (so you can concentrate on your studies) while sharing other facilities in a friendly environment where you can mingle with other students from all over the world.

Most student housing is located in the city or near TAFE SA campuses, saving on transport costs and placing you close to facilities.

Many of these offer inclusions such as internet access, utilities, fully furnished apartments and they may offer additional services such as meals or laundry.

Regency International House, foyer

Regency International House

Regency International House is located on the TAFE SA Regency Campus, just 15 minutes from the Adelaide Central Business District and provides housing for international students.

Close to public transport, shopping centres and a wide variety of multicultural restaurants, it's the perfect location for international students studying at many of TAFE SA's metropolitan campuses.

Security

With a full-time manager overseeing all matters relating to students, and a member of staff on site 24 hours a day, 7 days a week, you can be sure that there will always be someone around should an emergency arise.

Comfort

Each villa at Regency International House is light, bright and airy and comes fully furnished. Villas are more than 100 square metres in size and house four students – all with their own private bedroom including a telephone, computer and wireless internet connection. Each villa has two ensuite bathrooms, a sitting room and a kitchenette for light meals or a late-night snack. Laundry facilities are also included and are shared within each complex consisting of four villas.

Care

Included in the weekly accommodation rate are 3 meals a day which are prepared and made on-site in the commercial kitchen. Students make their selection from the cafeteria-style kitchen and eat, usually with friends, in the communal dining room, or if they study at a campus other than Regency, lunch can be packed for them to take away. The menu is varied and changes on a regular basis taking into account different tastes and cultural diversity.

Also included in the monthly rate are all utility costs (water, electricity etc.) and cleaning of the villas once a week so that students have more time to focus on what's really important.

Lifestyle

The student common room, dining room, tutorial room and computer suite (all open 24 hours a day) are located in the main Administration block. Other facilities include a Muslim prayer room and a games room – a popular retreat for students, with a pool table, table-tennis and other activities available within it. Amongst the landscaped surrounds of Regency International House are basketball and tennis courts available for the sole use of RIH residents.

Regency International House also organises and promotes social activities and outings for students on weekends and holidays which helps to balance the demands of study and assists in building a friendly and social community amongst the residents allowing students to form friendships for life.

For further information about Regency International House visit: tafesa.edu.au/international/accommodation

Homestay

Homestay is where you live with an Australian host family. Host families are located all over Adelaide and throughout the state.

These are welcoming environments where you have the chance to really experience Australian life and practice your English language skills.

Most homestay hosts offer dining options which may mean that your meals are prepared for you or you may need to provide and prepare your own food.

As a homestay student you will have a bedroom with linen, a place to study and will share the bathroom/s, kitchen and other facilities with the homestay family.

All homestay families are different; they may be a couple, a family with children or a single person. Many Australian families have pets including dogs. You will be a part of the household and so will need to look after your own needs and may be responsible for keeping your room tidy and doing your laundry.

For further information on homestays visit:

homestaynetwork.org

studentliving.com.au

unilodge.com.au/adelaide

Private rental

A private rental allows you to choose where you want to live - in the city, near your campus, friends or work or maybe near the beach. You'll need to pay your weekly rent and utilities such as electricity, gas, water and telephone.

The style of accommodation (house or apartment) and rent payable will vary from suburb to suburb. You may need to sign a rental agreement (lease) with the owner (landlord) and pay some rent in advance (bond). Once you have signed a lease you are a tenant of the property. As a tenant you have certain rights under Australian law and your rental bond is refundable to you at the end of your lease if the lease conditions are met. For further information about your rights as a tenant visit: cbs.sa.gov.au/wcm/rentingletting/

For a listing of rental properties visit: realestate.com.au
domain.com.au

Students often share a house and you can expect to have a bedroom to yourself, but share the rest of the house and expenses (electricity, gas and water) with the other people living there. If you rent a room in a share house, you may pay more if the room is furnished or utilities are included in the weekly rental cost. Sharing can be the cheapest option but it is important to have a clear idea of how chores and bills will be divided. It should also be noted that share accommodation can sometimes mean you are sharing a room with someone with little to no privacy (such as a backpackers hostel).

Understanding Australian Qualifications

In Australia, career advancement can depend on your level of qualification.

The chart below displays the training outcomes and possible career outcomes achieved from each level of qualification you study.

TAFE SA offers multiple entry and exit points that allow flexible learning and pathways to match your needs.

Australian qualification	Training outcomes	Example career outcomes
Degree →	Graduates at this level have broad and coherent knowledge and skills for professional work	Manager, Business Owner, Researcher, Market Leader, Strategist Advisor, Engineer
Advanced Diploma →	Graduates at this level have broad knowledge and skills for highly skilled paraprofessional work	Manager, Business Owner, Coordinator, Franchisor, Supervisor, Engineering Technical Officer
Associate Degree →	Graduates at this level will have broad theoretical and technical knowledge of a specific area or a broad field of work and learning	Manager, Supervisor, Business Owner, Researcher, Strategist, Advisor
Diploma →	Graduates at this level have specialised knowledge and skills for skilled paraprofessional work	Supervisor, Coordinator, Business Operator, Manager, Assistant Manager, Computer Technician
Certificate IV →	Graduates at this level have theoretical and practical knowledge and skills for specialised skilled work	Operations Coordinator, Accounts Manager, Senior Consultant, Officer
Certificate III →	Graduates at this level have theoretical and practical knowledge and skill for work	Assistant Technician, Receptionist, Attendant, Clerk, Sales Agent, Guide

Admission requirements

English Language Admission Requirements

All TAFE SA award courses require a minimum IELTS (International English Language Testing System) score or equivalent. Depending on the specific course, these minimum Academic IELTS scores can vary. Most courses have a minimum Academic IELTS of 5.5 with a minimum of 5.0 in all bands or equivalent. Please check the minimum score required for your preferred course as some courses require a higher English language level: tafesa.edu.au/international-courses

Special admission requirements

Some courses including Dental and Oral Health, Veterinary Nursing, Nursing, Laboratory Technology and Electronic Engineering have special admission requirements including completion of certain subjects, a specific pass level in certain subjects or an IELTS score higher than 5.5.

Applications for some Diploma, Advanced Diploma or Bachelor Degree courses may need additional assessment by the Program Group and/or may require you to sit a test before an offer can be made.

You should always check the admission requirements for your preferred course on the TAFE SA website: tafesa.edu.au/international-courses

Other Country	Please attach your highest qualification

Note: Satisfactory results must be achieved (e.g. 50% minimum average in all courses, except Nursing and Dental applications which require 60% minimum average)

Your Application

STEP 1 Choose a course

Applying to be an international student at TAFE SA is easy.

STEP 2 Prepare your application

Supporting documents

You must attach the following supporting documents with your application.

- > English language test results (IELTS or other accepted English language tests, [see page 27](#)).
- > Certified true copies of your academic records.
- > Employment history and employer references (if relevant).
- > A copy of the front pages of your passport (if available) and visa as proof of identity.

Applications will not be reviewed until all supporting documents are received.

If your documents are not in English, you will need to provide a certified English translation.

These documents must be approved by an accredited translator and any photocopies should be certified true copies.

STEP 3 Submit your application

You can submit your application direct to TAFE SA using any of the **4 easy methods** listed below:

Option 1

Online application system

tafesa.edu.au/international/apply-international-student/int-apply-online

Set up a user account and follow the prompts.

You may need to email your supporting documents separately to:

tafesa.international@tafesa.edu.au

You will receive an acknowledgment that your documents have been received.

Option 2

Submit your application

Complete the application form, scan and email the completed application form and supporting documents to:

tafesa.international@tafesa.edu.au

You will receive an acknowledgment that your documents have been received.

Option 3

Hardcopy application print and post

Complete the application form and post it, with supporting documents to:

**TAFE South Australia
International
Attention – International Admissions
GPO Box 1872
Adelaide , South Australia
5001**

Option 4

Accredited agent

Apply through an accredited agent in your country. A list of accredited agents can be found at:

tafesa.edu.au/international/agents-partners

STEP 4 Accept your offer

See page opposite for detailed information on how to accept your offer.

STEP 5 Apply for your Student Visa

Apply early - allow up to 8 weeks to process, longer if you are from an Assessment Level 3 country. You can check expected visa processing times with your local Australian Diplomatic Mission or visit:

immi.gov.au/students/student-information.htm

If you've applied through an agent, they can assist you with your student visa application

STEP 6 Make travel arrangements

Contact MYSA International to arrange your FREE airport pick up and accommodation assistance.

Visit: mysa.com.au/international

STEP 7 Connect with us

Join our Facebook page to find out what's happening at TAFE SA: facebook.com/TAFESAinternational

Your Offer and How to Accept

If your application is successful, we will send you a Letter of Offer

There are two types of offers

1. Unconditional
2. Conditional

1. Unconditional offer

This means that you have been offered a place in your chosen program without needing to satisfy any conditions such as meeting an IELTS score.

If there are no conditions you will need to accept your offer within 8 weeks of the date of the letter.

To accept your unconditional offer

To accept your offer, you should sign it and return it to TAFE SA International within 8 weeks with the following:

- > Signed acceptance of offer
- > Signed refund table
- > Proof of your fee payment
- > Proof of health cover (if available) see page 16 for more details

Once these are received, we will send you a Confirmation of Enrolment certificate (CoE) by email or to your agent.

2. Conditional offer

This means that you have been offered a place in your chosen course, subject to meeting the conditions outlined in your Letter of Offer.

These conditions may include the results of an IELTS test (or equivalent) or satisfactory completion of a TAFE SA ELICOS course.

To accept your conditional offer

If your offer is conditional, you must meet all the conditions set out in your Letter of Offer. Once conditions have been met, accept your offer by signing and returning it to TAFE SA International:

- > Signed acceptance of offer
- > Signed refund table
- > Proof of conditions met
- > Proof of your fee payment
- > Proof of health cover (if available) see page 16 for more details.

Once these are received, we will send you a Confirmation of Enrolment certificate (CoE) by email or to your agent.

English Language Intensive Courses for Overseas Students (ELICOS)

Improving your English language skills

TAFE SA has a dedicated English Language Centre which is the only South Australian Government-owned English school in Adelaide. It is conveniently located in the heart of the central business district and offers highly qualified, experienced and friendly staff, affordable fees and flexible starting times. Students can develop their English skills for fun and travel or prepare themselves for study at TAFE SA or University or to increase their IELTS level.

The range of intensive English language courses will:

- > Improve your general English
- > Prepare you for your TAFE SA or university studies
- > Develop your English skills for future employment
- > Prepare you for an IELTS test.

The English Language Centre of TAFE SA is a member of English Australia.

Why choose TAFE SA English Language Centre?

- > Small classes and personalised attention
- > Intensive teaching with quality resources and facilities
- > Affordable fees
- > Flexible start times and program durations from 5 to 40 weeks
- > Highly-qualified and experienced teachers
- > Easily accessible, centralised CBD location.

Choosing the right ELICOS course

With a number of English language courses to choose from, selecting the best one for your needs can be confusing. Simply select your current level of English to find out the best course for you.

“I do not have an IELTS (or equivalent) test score and want to improve my English.”

GENERAL ENGLISH

TEACHING DURATION from 5 to 40 weeks –
not including holidays

CRICOS CODE 064265A

COURSE TYPE Non Award Course

COURSE DESCRIPTION

The General English courses are designed for international students (i.e. student visa holders) and holders of other temporary visas who wish to improve their English. The courses aim to develop students' general English skills and prepare them to be successful in interacting with native speakers and teachers in Australia and overseas with a focus on:

- > Developing your listening, speaking, reading and writing skills from elementary to advanced level
- > Improving your vocabulary
- > Improving your grammar
- > Developing your communication skills.

The course consists of 5 class levels:

- > Elementary
- > Pre-intermediate
- > Intermediate
- > Upper intermediate
- > Advanced.

The actual duration and cost for the individual student will depend on the English level, goals and pathways. A pre-course assessment and interview will determine class placement. The weekly cost of the course is only \$350 (AUD) per week. Whether you study for only 5 weeks or up to 40 weeks you will only pay \$350 (AUD) per week. Courses commence weekly throughout the year.

COURSE ADMISSION REQUIREMENTS

Elementary and above. Not beginners – assessment on arrival for class placement.

FEES

(weekly tuition fee is \$350. Total tuition fee/ duration will depend on your English level)

10 weeks	AUD \$3,500
20 weeks	AUD \$7,000
30 weeks	AUD \$10,500
40 weeks	AUD \$14,000

“ Before starting the Advanced Diploma of Accounting at TAFE SA I needed to improve my English skills. The EAP course improved my social communication skills. I am now a lot more confident interacting with my class mates and lecturer. **”**
Nghia Tran – Vietnam

“My IELTS (or equivalent) score is 4.5 - 5.0 and I want to Study a TAFE SA Award Course and need 5.5.”

ENGLISH FOR ACADEMIC PURPOSES

TEACHING DURATION 10 or 20 weeks –
not including holidays

CRICOS CODE 064266M / 073621M

COURSE TYPE Non Award Course

COURSE DESCRIPTION

The English for Academic Purposes (EAP) courses are designed for upper intermediate level International students who are planning to do further study in a TAFE SA Award or university course, and provide the necessary academic English skills required for this purpose.

The course aims to prepare students to be successful in interacting with native speakers and teachers in TAFE SA Award courses and also prepares them for study in other academic institutions both in Australia and internationally.

Successful completion of an EAP course can provide a direct pathway to most TAFE SA award courses, and students who have successfully gained a credit result in the EAP (20 weeks) will satisfy the English language entry criteria for award courses which require 6.0 IELTS or equivalent entry.

The course has a focus on:

- > Developing high-level academic skills: writing, listening and note taking, reading, comprehension; research skills, academic language for oral presentations and seminars, study skills and group work
- > Developing grammar, topic pronunciation and computer literacy
- > Developing your vocabulary for your future award course.

COURSE ADMISSION REQUIREMENTS

EAP 20: A general or academic IELTS score of 4.5 or equivalent, with a minimum of 4.5 in all macroskills. EAP 10: Academic or general overall score of 5.0 IELTS, with a minimum of 5.0 in writing, and 4.5 for listening, speaking and reading or equivalent. Students with any macroskill score below 5.0 will find it difficult to reach the required level of English by the end of this 10 week course.

FEES

10 week duration total tuition fee	AUD \$3,500
20 week duration total tuition fee	AUD \$7,000

“My IELTS (or equivalent) score is either 5.0 or 5.5 and I need a 6.0 to study my desired course.”

“ The organisation of the course was great, every 2 weeks we learnt a new topic and had plenty of time for practice. The support I got from my lecturer assisted me to get an 8.0 in my IELTS test. I can now qualify as a Registered Nurse. ”

Shirley Chen – Taiwan

ADVANCED IELTS PREPARATION

TEACHING DURATION	20 weeks– not including holidays
CRICOS CODE	074846G
COURSE TYPE	Non Award Course

COURSE DESCRIPTION

The Advanced IELTS Preparation courses are designed for upper intermediate level international students who need to improve their IELTS score for further study in TAFE SA courses or at university level.

The course has a focus on:

- > Preparing for entry into TAFE SA courses with a higher IELTS requirement such as Nursing, Dental Technology, Electronic Engineering and others
- > Preparing for university study, professional registration and Migration applications
- > Developing high-level academic skills: writing, listening and note taking, reading, comprehension, academic speech for oral presentations and seminars, study skills
- > Developing grammar, vocabulary, pronunciation and computer literacy in English
- > IELTS test practice.

COURSE ADMISSION REQUIREMENTS

Assessment of English language skill is done upon arrival on campus to enable placement in the correct level class. IELTS overall of 5.0 with a minimum of 5.0 in all sub scores (20 weeks duration) or equivalent. IELTS Overall of 5.5 with a minimum of 5.5 in all sub scores (10 weeks duration) or equivalent.

FEES

Current IELTS score	IELTS score needed	Minimum length of study	Cost (AUD)
5.0	6.0-7.0	20 weeks	\$7,000
5.5	6.0-7.0	10 weeks	\$3,500

"I'm looking for an advanced English course and recognition of my English language level for an undergraduate course at university."

CERTIFICATE IV IN ENGLISH PROFICIENCY

TEACHING DURATION 26 weeks – not including holidays

CRICOS CODE 071370G

NATIONAL CODE 40623SA

COURSE TYPE TAFE Award Course

COURSE DESCRIPTION

This nationally accredited TAFE SA Award course is suitable for advanced level international students at IELTS 5.5 level and above. The course is responsive to individual needs and is taught by a team of teachers with wide experience and specialist skills in this area. This course aims to assist international students who intend to do further study at TAFE SA or university.

The nationally accredited Certificate IV in English Proficiency is delivered in this course.

This Certificate is recognised by TAFE SA, the University of South Australia and Adelaide University, and successful completion means students will satisfy the English language entry criteria for award courses and undergraduate courses at these institutions with a requirement of an overall IELTS score of 6.0.

The course has a focus on:

- > Advanced speaking, listening, reading and writing, using complex academic texts and resources
- > Advanced grammar skills, pronunciation and topic vocabulary
- > Advanced academic study skills, including:
 - Group work & presentation skills
 - Research skills & academic conventions (including avoiding plagiarism, paraphrasing & referencing)
 - Study/research placement in related study area.

Assessment is continuous and competency based.

There is a final ISLPR (International Second Language Proficiency Rating) assessment. Students must reach ISLPR 3 in all macroskills to achieve the Certificate.

COURSE ADMISSION REQUIREMENTS

Successful completion of Year 11 or equivalent and Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands

FEES

Total tuition fee AUD \$7,000

"I need a high level of English for work and further study and recognition of my English language level for an undergraduate course at university."

DIPLOMA OF ENGLISH PROFICIENCY

TEACHING DURATION 20 weeks – not including holidays

CRICOS CODE 073831A

NATIONAL CODE 40634SA

COURSE TYPE TAFE Award Course

COURSE DESCRIPTION

This nationally accredited program is suitable for advanced level, academic international students (IELTS 6.0 / International Second Language Proficiency Rating (ISLPR) 3 and above in speaking, listening, reading and writing). The course is responsive to individual needs and is taught by a team of teachers with wide experience and specialist skills in this area.

This course is designed to assist advanced level international students who:

- > Need a high level of English for work or study in their country
- > Intend to do further study at TAFE SA, University of South Australia or University of Adelaide. Students who have successfully completed the Diploma of English Proficiency (ISLPR 3+ to 4) will be recognised as meeting the English Language requirements for entry to UniSA undergraduate programs and non-language rich post-graduate programs. Typically language rich programs require an IELTS of 7.0 or equivalent. Students achieving below ISLPR 3+ to 4 will be required to submit an IELTS score as required by the program of interest.

The nationally accredited Diploma of English Proficiency is delivered in this course.

The course has a focus on:

- > Complex academic reading, writing and research skills
- > High level academic speaking and listening
- > Advanced critical literacy
- > English usage in Australian academic setting
- > Preparation for undergraduate and postgraduate study including:
 - Group work and presentation skills
 - Research skills and academic conventions (including paraphrasing, referencing and avoiding plagiarism)
 - Academic writing e.g. reports and essays

ASSESSMENT

Assessment is continuous and competency-based.

In addition, there is a final language assessment by English Language Centre assessors. Students should reach ISLPR level 3+ in all macroskills to achieve the Diploma. Many students exit this course at a level approximately equivalent to an IELTS score of 7.0

COURSE ADMISSION REQUIREMENTS

Academic IELTS minimum 6.0 overall with no band less than 5.5 or equivalent. Satisfactory completion of Year 12 or overseas equivalent.

FEES

Total tuition fee AUD \$7,220

Interior designer (for interior design and architectural practices), Self-employed Design Consultant, Design Project Administrator, Design Manager

“ Before I started the course I had never heard that buildings could be built to consume less energy and why that was important. The TAFE SA course opened my eyes to the importance of creating buildings that consume less energy from the environment.

The TAFE SA course has put me at the front of the pack in understanding the ways properties can be designed to consume less energy. ”

Sailing Chen – China

Diploma of Interior Design and Decoration

Diploma of Screen and Media

INTAKE	January 2015
TEACHING DURATION	37 weeks
CRICOS DURATION	43 weeks
CRICOS CODE	084942C
CAMPUS	Adelaide College of the Arts

ADMISSION REQUIREMENTS

Academic IELTS score of 5.5 Overall with minimum of 5.0 in all bands or equivalent. Satisfactory completion of Year 12 or overseas equivalent Course Description

COURSE DESCRIPTION

Students interested in the Screen & Media course will have the option of choosing 1 of 2 streams: Film & TV and Computer Generated Imaging & Visual Effects (CGI & VFX).

Film and TV Stream

The Film and Television stream equips students with comprehensive production and post-production skills required in today's screen industry. Our training focuses on specific crew roles for on-set and location-based productions via current industry practices, which include:

- > Pre-production: management including budgeting and scheduling, contracts and location management
- > Production: including creative and technical skilling across several roles such as camera, lighting and sound recording
- > Post-production: editing including technical and creative skills regarding telling the story with images and sound design, editing and mixing.

Campus: Adelaide City Arts (AC Arts)

Computer Generated Imaging & Visual Effects Stream (CGI & VFX)

This stream is for students that want to excel in the field of visual effects and 3D computer animation for television and cinema. It is essentially two courses rolled into one: TV production and 3D computer animation (incorporating Visual Effects). Students are taught the practical and theoretical aspects of the movie and television making process so that they understand where computer-generated imagery fits in the workflow of a production. With a hands-on practical approach by our passionate teaching staff, students get to use industry-standard 2D and 3D software and broadcast-standard hardware.

Campus: Adelaide City Arts (AC Arts)

For students interested in Game Art you will need to consider the Diploma of Digital & Interactive Games together with the Advanced Diploma of Screen & Media (Game Art Stream). As a game art student you will learn the skills required of artists in game development. Game artists are chiefly modellers and texturers but also have a broad knowledge of the game development process. This course puts particular emphasis on modelling, texturing, concept development and drawing. Students develop skills and knowledge in these key areas as well as project management, team work, simulations industry and a variety of delivery platforms.

Campus: Tea Tree Gully

**The streams are very different, therefore students cannot swap from a diploma of one stream into the advanced diploma of another stream. Students will need to list their preferred preference when applying to TAFE SA.*

**The total duration for the Diploma and Advanced Diploma is 2 years (4 semesters) for a total fee of \$23,600.*

FEES

Average tuition fees per semester	AUD \$5,900
Total Program Fee	AUD \$11,800

CAREER PATHWAYS

Computer Animator, Lighting, Sound, Staging, Vision Technicians, Media Presenter

COURSE DESCRIPTION

Students interested in the Graphic Design course will have the option of choosing 1 of 3 streams: general; digital design; or illustration.

General Stream

This stream aims to develop multi-skilled individuals who will be flexible in their approach to work within the Graphic Design Industry. Study topics include advanced typography; illustration; photo imaging; marketing; packaging design; advertising; editorial and publishing design; creative studio; and basic web design and construction.

Digital Design Stream

This stream aims to develop individuals who will be able to work in a diverse range of digital and web design environments. Study topics include advanced web design and construction; editorial and publishing design; photo imaging; mobile and tablet website creation; eBook creation and digital publishing for iPad; and emerging technologies.

Illustration Stream

This stream is designed to develop a range of visual art skills and knowledge which are necessary in becoming a professional illustrator. Graduates will be skilled in both traditional and digital medias and emerging technologies. Students will produce project-based quality illustrations for varying industries including publishing, advertising, film and game.

**The 3 streams are very different, therefore students cannot swap from a diploma of one stream into the advanced diploma of another stream. Students will need to list their preferred preference when applying to TAFE SA.*

“ I decided to look into studying abroad and found that the TAFE SA accounting course not only offered great value for money but would provide me with the knowledge and skills that employers want. My lecturers are fantastic and always go that extra mile to help all their students and make learning and understanding accounting inspiring. I believe the qualifications that I will gain studying in Australia will open up many doors for me allowing me to work in my chosen field throughout the world. ”

“ Prior to enrolling at TAFE SA I completed a Bachelor of Arts majoring in International Studies. I realised that the Marketing Course at TAFE SA would value-add to my degree. The course was more practical, business-oriented rather than a pure intellectual exercise. Six months into my course I secured work at a local Adelaide business. ”

Xinween Zhang – China

CAREER PATHWAYS

Reflexologist

Diploma of Dental Technology

TEACHING DURATION	84 weeks
CRICOS DURATION	98 weeks
CRICOS CODE	078439B
NATIONAL CODE	HLT50512
CAMPUS	Gilles Plains
WORK PLACEMENT	98 hours

ADMISSION REQUIREMENTS

An IELTS Academic score of 6.0, with a minimum of 6.0 in all bands or equivalent. Satisfactory completion of Year 12 or overseas equivalent. A written test in the home country is required.

COURSE DESCRIPTION/SKILLS COVERED

22 core units: Organise workplace information; organise personal work priorities and development; construct models; construct custom impression trays; construct registration rims; articulate models and transfer records; construct thermoformed bases and appliances; construct immediate dentures; construct removable acrylic partial dentures; construct cast metal alloy removable partial denture framework; construct crown and bridge structures; join alloy structures; take tooth shades; construct fixed restorations; construct orthodontic appliances; construct oral splints; repair and modify dentures and appliances; construct simple complete removable acrylic dentures and appliances; apply first aid; comply with infection control policies and procedures; maintain an effective health work environment; contribute to WHS processes; plus 5 elective units.

FEES

Average tuition fees per semester	AUD \$8,875
Total tuition fees (98 weeks)	AUD \$35,500
Incidental fees	AUD \$2,000
Total fees	AUD \$37,500

CAREER PATHWAYS

Dental Technician

Advanced Diploma of Oral Health (Dental Hygiene)

TEACHING DURATION	101 weeks
CRICOS DURATION	104 weeks
CRICOS CODE	073245G
NATIONAL CODE	40633SA
CAMPUS	Gilles Plains
WORK PLACEMENT	50 hours

ADMISSION REQUIREMENTS

Academic IELTS of 7.0 overall, with a minimum of 7.0 in all bands or equivalent; Occupational English Test – A's and/or B's in all areas of assessment. Satisfactory completion of Year 12 or overseas equivalent + OS trained Dentist /Dental Therapy/Dental Hygiene/Dental Assisting Qualification including Dental Radiography training.

Additional Requirements (conducted on campus): Written assessment to assess knowledge of dental assisting and the underpinning practice, for example basic human biology, infection control, dental industry regulations in Australia, problem solving and communication strategies.

COURSE DESCRIPTION/SKILLS COVERED

Dental Hygienists are employed in public, private and specialist dental practice where they collaborate with Dentists and other dental care workers. They are responsible for providing preventive and therapeutic dental hygiene care. This involves the provision of evidenced based dental hygiene treatment including the taking of medical histories, patient examination, hygiene treatment sequencing, patient education, fissure sealants, restoration polishing, professional tooth whitening, splinting of mobile teeth, removal of sutures, exposing and interpreting intra-oral radiographs, administering local anaesthesia, placing temporary restorations and using therapeutic agents including fluoride to prevent or control oral disease and the non-surgical management of periodontal conditions including root surface debridement. This is accomplished while complying with WHS policy and infection control protocols in the role of a dental operator. The Dental Hygienist also provides services to residents of aged care and supported residential facilities and contributes to the oral health awareness of other health care providers.

FEES

Average tuition fees per semester	AUD \$13,000
Total tuition fees (104 weeks)	AUD \$52,000
Incidental fees	AUD \$4,000
Total fees	AUD \$56,000

Education and Languages

INDUSTRY CAREER OPPORTUNITIES

> English as a second Language Teacher

Certificate III in English Proficiency

TEACHING DURATION	20 weeks
CRICOS DURATION	20 weeks
CRICOS CODE	071648E
NATIONAL CODE	40622SA
CAMPUS	Adelaide City

ADMISSION REQUIREMENTS

General IELTS score of 5.0 overall with minimum of 4.5 in all bands or equivalent. Successful completion of Year 10 or overseas equivalent.

COURSE DESCRIPTION/SKILLS COVERED

Students will learn to use listening, speaking, reading and writing skills with support in order to: develop and document a learning plan; read and write a range of straightforward formal and informal letters or emails and formatted texts for employment; read and write a range of straightforward informational, instructional and other texts; engage in casual conversation and straightforward spoken transactions; give and respond in detail to a range of straightforward instructions and verbal descriptions; present oral information on everyday topics.

FEES

Total tuition fees (20 weeks)	AUD \$7,000
Incidental fees	AUD \$0
Total fees	AUD \$7,000

Certificate IV in English Proficiency

TEACHING DURATION	20 weeks
CRICOS DURATION	26 weeks
CRICOS CODE	071370G
NATIONAL CODE	40623SA
CAMPUS	Adelaide City

ADMISSION REQUIREMENTS

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent. Successful completion of Year 11 or overseas equivalent.

COURSE DESCRIPTION/SKILLS COVERED

Students will learn to use listening, speaking, reading and writing skills with support in order to: give oral presentations for further study or employment; read and write texts for research purposes; research and evaluate pathways options, design a learning plan; analyse and participate in complex conversations in various contexts; participate in a range of interactions and group activities for further study; analyse and produce a range of texts relevant to further study; undertake straightforward research tasks; read and analyse instructional and/or advisory texts.

This course satisfies the entry requirements into University of Adelaide and UniSA courses that require an overall IELTS score of 6.0.

FEES

Total tuition fees (26 weeks)	AUD \$7,000
Incidental fees	AUD \$0
Total fees	AUD \$7,000

Diploma of English Proficiency

TEACHING DURATION	20 weeks
CRICOS DURATION	26 weeks
CRICOS CODE	073831A
NATIONAL CODE	40634SA
CAMPUS	Adelaide City

ADMISSION REQUIREMENTS

Academic IELTS score minimum 6.0 overall with minimum of 5.5 in all bands or equivalent. Satisfactory completion of Year 12 or overseas equivalent.

COURSE DESCRIPTION/SKILLS COVERED

Students will improve their language, research and critical skills by: increasing their knowledge of Australian English usage; conducting academic and professional reading and research; employing critical thinking and assessing arguments; using speaking and listening for academic and professional purposes; writing academic and professional texts.

This course satisfies the entry requirements into University of Adelaide courses that require an overall IELTS score of 7.0 and UniSA undergraduate programs and non-language rich post-graduate programs.

FEES

Total tuition fees (26 weeks)	AUD \$7,000
Incidental fees	AUD \$220
Total fees	AUD \$7,220

“ Next semester I am going to do a nursing course which requires a high level English, so this course is very useful for me to improve my English skills by listening to different students’ accents, watching videos, writing essays, reading news and discussions with classmates and teachers. Also, the course is helping me to practice social skills as well as gaining knowledge about work placement in Australia and Australian culture. ”

Thi Duc Hinh Duong – Vietnam
Certificate IV in English Proficiency

Certificate IV in Teaching English to Speakers of Other Languages (TESOL)

TEACHING DURATION	10 weeks
CRICOS DURATION	13 weeks
CRICOS CODE	076118B
NATIONAL CODE	40649SA
CAMPUS	Adelaide City

ADMISSION REQUIREMENTS

Academic IELTS score of 6.5 overall, with 6.5 in all macroskills or equivalent. Satisfactory completion of Year 11 or overseas equivalent and interview.

Interview - Ability to demonstrate at interview and in pre-interview language tasks: An appropriate awareness of the English language as it is used and its difficulties for learners; an ability to analyse language at a suitable level and to express ideas clearly; a willingness to interact, listen and respond appropriately; an ability to take pressure and maintain positive rapport; a competence in written and spoken English that will enable them to teach the language to students without causing error.

COURSE DESCRIPTION/SKILLS COVERED

Students will develop the skills and knowledge requirements for designing and delivering an English language training program for learners from Culturally and Linguistically Diverse backgrounds (CALD). This course provides a strong focus on developing and using a range of adult teaching methods to assist learners to develop and improve their reading, writing, listening and speaking skills. TESOL methodologies are used in developing English language skills, through grammatical concepts and traditional metalanguage while developing and enhancing skills in cross cultural awareness. This course is designed for those who wish to pursue a career in TESOL either in Australia or abroad. Participants in this course have included the following: Teachers of English as a Foreign/Second Language (EFL/ESL) in Australia and overseas; qualified teachers who wish to add English as a Foreign Language/English as a Second Language teaching skills to enhance their current qualifications; qualified teachers from overseas who wish to improve their English teaching skills and volunteers.

FEES

Total tuition fees (13 weeks)	AUD \$3,850
Course Book	AUD \$70
Total fees	AUD \$3,920

CAREER PATHWAYS

Teacher of English to speakers of other languages.

- > Computer Technician

Electrical and Electronics

Diploma of Computer Systems Engineering

TEACHING DURATION	80 weeks
CRICOS DURATION	98 weeks
CRICOS CODE	078300K
NATIONAL CODE	UEE50111
CAMPUS	Regency Park

ADMISSION REQUIREMENTS

An academic IELTS score of 5.5 overall with a minimum of 5.0 in all bands or equivalent. Satisfactory completion of Year 12 or overseas equivalent.

COURSE DESCRIPTION/SKILLS COVERED

This course leads to the application of computers and networked microcontrollers in engineering environments, to sense and control equipment in service industries in mining and manufacturing. It develops skills to select, install, commission and maintain computer equipment and systems. Learn how to program microcontrollers in assembly language and C, program in Java, administer networks using Windows Server, and redesign them to interconnect with Linux or Mac operating systems. You study in a Flexible Learning Lab designed to support self-paced study, with a variety of learning resources and lecturers facilitating your study.

FEES

Average tuition fees per semester	AUD \$6,500
Total tuition fees (98 weeks)	AUD \$26,000
Incidental fees	AUD \$400
Total fees	AUD \$26,400

CAREER PATHWAYS

Work as a technical officer in the rapidly-growing electronics industry and related areas like defence, mining and biomedical. You may be commissioning computer networks for computer controlled video equipment in a television studio, or working as a network administrator managing a computer and control network.

CREDIT TRANSFER AGREEMENTS

Credit Transfer Agreements exist for this course. Visit: tafesa.edu.au/international/apply-international-student/int-credit-transfer for more information.

Advanced Diploma of Computer Systems Engineering

TEACHING DURATION	100 weeks
CRICOS DURATION	126 weeks
CRICOS CODE	078301J
NATIONAL CODE	UEE60411
CAMPUS	Regency Park

ADMISSION REQUIREMENTS

An academic IELTS score of 5.5 overall with a minimum of 5.0 in all bands or equivalent. Satisfactory completion of Year 12 or overseas equivalent.

COURSE DESCRIPTION/SKILLS COVERED

This course leads to the application of computers and networked microcontrollers in engineering environments, to sense and control equipment in service industries, in mining and manufacturing. It develops skills to design, install/validate/evaluate and administer computer equipment and systems.

Learn how to design, install/validate/evaluate and administer computer equipment and systems, including advanced digital and signal conditioning systems, manage risk, estimate and manage projects and provide technical advice/sales.

You study in a Flexible Learning Lab designed to support self-paced study, with a variety of learning resources and lecturers facilitating your study.

FEES

Average tuition fees per semester	AUD \$6,500
Total tuition fees (126 weeks)	AUD \$32,500
Incidental fees	AUD \$0
Total fees	AUD \$32,500

CAREER PATHWAYS

Work as a technical officer in the rapidly-growing electronics industry and related areas like defence, mining and biomedical. You may be commissioning computer networks for computer controlled video equipment in a television studio, or working as a network administrator managing a computer and control network.

Diploma of Electronics and Communications Engineering

TEACHING DURATION	80 weeks
CRICOS DURATION	100 weeks
CRICOS CODE	078960G
NATIONAL CODE	UEE50511
CAMPUS	Regency Park
WORK PLACEMENT:	36 hours

ADMISSION REQUIREMENTS

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent. Satisfactory completion of Year 12 or overseas equivalent.

COURSE DESCRIPTION/SKILLS COVERED

This course leads to the application of electronic components and computers to enable technologies like mobile communications, medical devices, mining equipment, robotics and more. It develops skills to select, commission, maintain and diagnose malfunctions of electronic sub-assemblies and systems. Learn how to construct, test and modify the design of electronic circuits like amplifiers, microcontroller-based systems and power supplies. Write computer programs to control hardware and set up a web page to access it remotely.

Your learning will be enhanced by combining lectures with practical laboratory and workshop sessions, including simulation tools.

FEES

Average tuition fees per semester	AUD \$6,500
Total tuition fees (100 weeks)	AUD \$26,000
Incidental fees	AUD \$0
Total fees	AUD \$26,000

CAREER PATHWAYS

Work as a technical officer in the rapidly-growing electronics industry and related areas like defence, mining, biomedical and communications. You may be commissioning and maintaining medical equipment or supervising production line activities in a manufacturing environment.

CREDIT TRANSFER AGREEMENTS

Credit Transfer Agreements exist for this course. Visit: tafesa.edu.au/international/apply-international-student/int-credit-transfer for more information.

Advanced Diploma of Electronics and Communications Engineering

TEACHING DURATION	100 weeks
CRICOS DURATION	126 weeks
CRICOS CODE	078959M
NATIONAL CODE	UEE60211
CAMPUS	Regency Park
WORK PLACEMENT	72 hours

ADMISSION REQUIREMENTS

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent. Satisfactory completion of Year 12 or overseas equivalent.

COURSE DESCRIPTION/SKILLS COVERED

This course leads to the application of electronic components and computers to enable technologies like mobile communications, medical devices, mining equipment, robotics and more. The course develops skills to test, modify, design and integrate hardware and software in complex electronics systems. Learn how to construct, test and design advanced analog and digital electronic circuits. Write computer programs to control hardware and set up a web page to access it remotely. Design circuits to interface with sensors, motors, etc. Learning is enhanced by combining lectures with practical laboratory and workshop sessions, including simulation tools.

FEES

Average tuition fees per semester	AUD \$6,400
Total tuition fees (126 weeks)	AUD \$32,000
Incidental fees	AUD \$0
Total fees	AUD \$32,000

CAREER PATHWAYS

Work as a technical officer in the rapidly-growing electronics industry and related areas like defence, mining, biomedical and communications. You may be commissioning and maintaining communications equipment for traffic control or designing test jigs for new products in a manufacturing environment.

CREDIT TRANSFER AGREEMENTS

Credit Transfer Agreements exist for this course. Visit: tafesa.edu.au/international/apply-international-student/int-credit-transfer for more information.

Associate Degree in Electronic Engineering

TEACHING DURATION	80 weeks
CRICOS DURATION	104 weeks
CRICOS CODE	066407J
NATIONAL CODE	CRS1400029
CAMPUS	Regency Park

ADMISSION REQUIREMENTS

General IELTS score of 6.0 overall or equivalent. Satisfactory completion of Year 12 and Year 12 Mathematics or overseas equivalent.

COURSE DESCRIPTION/SKILLS COVERED

This is a higher education qualification which leads to employment and/or fast-track into further study at university. Students benefit from small classes, work-integrated learning and emphasis on practical and employability skills. It develops skills to analyse, design and integrate hardware and software in complex electronics systems. Learn how to construct, test and design advanced analogue and digital electronic circuits. Design circuits to interface with sensors, motors, etc. and write programs to control them. Study mathematics and physics and apply to electronics. Develop skills in communication, creative problem solving and working in teams. The course includes a component of exposure to engineering practice in the Australian work environment. Your learning will be enhanced by combining lectures with practical laboratory and workshop sessions, including simulation tools. You will benefit from small classes (no more than 20 students) and from hands-on practice in the lab.

FEES

Semester 1	AUD \$7,600
Incidental fees	AUD \$150
Semester 2	AUD \$7,600
Incidental fees	AUD \$250
Semester 3	AUD \$7,600
Incidental fees	AUD \$0
Semester 4	AUD \$7,600
Incidental fees	AUD \$0
Total tuition fees	AUD \$30,400
Incidental fees	AUD \$400
Total fees	AUD \$30,800

CAREER PATHWAYS

Work as a technical officer in the rapidly-growing electronics industry and related areas like defence, mining, biomedical and communications. You may be working alongside engineers to design and prototype advanced technology, or customising computer controlled video equipment in a television studio. Graduates often choose to further their career by completing a University degree.

CREDIT TRANSFER AGREEMENTS

Credit Transfer Agreements exist for this course. Visit: tafesa.edu.au/international/apply-international-student/int-credit-transfer for more information.

INDUSTRY CAREER OPPORTUNITIES

- > Mining Field Exploration Technician
- > Geoscience Technician
- > Mudlogger
- > Data Processing Technician
- > Technical Field Officer

Certificate III in Mining Exploration

TEACHING DURATION	20 weeks
CRICOS DURATION	26 weeks
CRICOS CODE	075081G
NATIONAL CODE	RII30509
CAMPUS	Regency Park

ADMISSION REQUIREMENTS

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.
Satisfactory completion of Year 10 or overseas equivalent.

COURSE DESCRIPTION/SKILLS COVERED

Basic accounting for fieldwork; basic field geology and geophysics; bushcraft and radio communications; communicating in the workplace; computer operations; electricity for field assistants; exploration grid layout; field assistant camp and camp support; following OHS procedures; geochemical sampling and computing; geoscience industry orientation; GPS; introduction to 4WD vehicle operation and recovery; introductory environmental care; map reading; motor maintenance; sampling and drilling; senior first aid for remote areas; small motor maintenance.

FEES

Total tuition fees (26 weeks)	AUD \$6,500
Incidental fees	AUD \$0
Total fees	AUD \$6,500

CAREER PATHWAYS

Mining Field Exploration Technician

Diploma of Applied Geosciences

TEACHING DURATION	55 weeks
CRICOS DURATION	73 weeks
CRICOS CODE	081629C
NATIONAL CODE	10263NAT
CAMPUS	Regency Park

ADMISSION REQUIREMENTS

Successful completion of the Certificate III in Mining Exploration. Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

COURSE DESCRIPTION/SKILLS COVERED

26 core units: Apply an understanding of hydrogeology to the workplace; apply an understanding of structural geology to the workplace; apply economic geology knowledge and practices in the workplace; apply fundamentals of soil science to resource exploration; Apply geological processes knowledge and practices to the workplace; apply geophysical methods to field survey; apply GIS software to problem-solving techniques; apply mineralogy and petrology knowledge and practices in the work place; collect spatial and discrete environmental data; connect, maintain and configure hardware components; design databases; develop and use complex spreadsheets; implement and maintain environmental management plan; manage conflict; manipulate and analyse GIS data; measure and sketch site information; obtain representative samples in accordance with sampling plans; plan and conduct major survey expeditions; plan and conduct survey expeditions; prepare reports; produce site maps; recognise common geological landforms and samples; undertake research activities; use formal mathematical concepts and techniques to analyse and solve problems; use laboratory application software; write complex documents.

FEES

Average tuition fees per semester	AUD \$6,500
Total tuition fees (73 weeks)	AUD \$19,500
Incidental fees	AUD \$380
Total fees	AUD \$19,880

CAREER PATHWAYS

Geoscience Technicians, Mudloggers, Data Processing Technicians, Technical Field Officers either in the field or in office situations in minerals and hydrocarbons exploration.

Food and Beverage

INDUSTRY CAREER OPPORTUNITIES

- > Baker
- > Meat Processor
- > Commercial Cook
- > Chef
- > Pastry Chef

- > Food Testing Manager
- > Food Safety Systems Manager

Certificate III in Retail Baking (Combined)

TEACHING DURATION	40 weeks
CRICOS DURATION	52 weeks
CRICOS CODE	075434J
NATIONAL CODE	FDF30710
CAMPUS	Regency Park
WORK PLACEMENT	600 hours

ADMISSION REQUIREMENTS

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent. Satisfactory completion of Year 10 or overseas equivalent.

COURSE DESCRIPTION/SKILLS COVERED

17 core units: Implement the food safety program and procedures; contribute to OHS processes; use numerical applications in the workplace; provide and apply workplace information; form and fill pastry products; prepare fillings; produce pastry; produce bread dough; produce sponge, cake and cookie batter; decorate cakes and cookies; bake bread; bake sponges, cakes and cookies; bake pastry products; process dough; diagnose and respond to product and process faults (bread); diagnose and respond to product and process (pastry, cake and cookies); participate in environmentally sustainable work practices; plus 3 elective units.

FEES

Average tuition fees per semester	AUD \$6,750
Total tuition fees (52 weeks)	AUD \$13,500
Total fees	AUD \$14,050

CAREER PATHWAYS

Baker and Pastry Chef

Certificate IV in Advanced Baking

TEACHING DURATION	21 weeks
CRICOS DURATION	23 weeks
CRICOS CODE	083068D
NATIONAL CODE	FDF40811
CAMPUS	Regency Park

ADMISSION REQUIREMENTS

Academic IELTS score of 5.5 Overall with minimum of 5.0 in all bands or equivalent. Satisfactory completion of Year 11 or overseas equivalent.

**It is assumed that students will have completed the Certificate III in Retail Baking (Combined)*

COURSE DESCRIPTION/SKILLS COVERED

5 core units: Monitor the implementation of quality and food safety programs; Maintain OHS processes; Report on workplace performance; Control bakery operations to meet quality and production requirements; Implement and monitor environmentally sustainable work practices; plus 9 elective units.

FEES

Total tuition fees	AUD \$10,300
--------------------	--------------

CAREER PATHWAYS

Baker and Pastry Chef

Certificate III in Patisserie

TEACHING DURATION	38 weeks
CRICOS DURATION	43 weeks
CRICOS CODE	084007J
NATIONAL CODE	SIT31113
CAMPUS	Regency Park
WORK PLACEMENT	400 hours

ADMISSION REQUIREMENTS

Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent. Satisfactory completion of Year 10 or overseas equivalent.

Students would typically complete a Patisserie package of a Certificate III in Patisserie, a Certificate IV in Patisserie and an Advanced Diploma of Hospitality for a total duration of 2 academic years (4 semesters). Students will complete Certificate IV and part of the Advanced Diploma concurrently during the 3rd semester of the package of courses. Students choosing to exit with a Certificate IV (and not complete the Advanced Diploma) will complete the Certificate III & Certificate IV qualifications within 1.5 academic years. There is no longer an Advanced Diploma of Patisserie.

Students may be able to fast track the 2 year package of courses should they do their work placement during their study and complete in approximately 18 months. Should this occur students will still pay the total program fee, however the semester invoice fees will reflect the actual study and placement load.

COURSE DESCRIPTION/SKILLS COVERED

18 core units: Participate in environmentally sustainable work practices; work effectively with others; apply first aid; use food preparation equipment; produce dishes using basic methods of cookery; use cookery skills effectively; clean kitchen premises and equipment; produce cakes; produce gateaux, torten and cakes; produce pastries; produce yeast based bakery products; produce petits fours; produce desserts; use hygienic practices for food safety; participate in safe food handling practices; coach others in job skills; maintain the quality of perishable items; participate in safe work practices; plus 4 elective units.

FEES

Average tuition fees per semester	AUD \$6,750
Total tuition fees (43 weeks)	AUD \$13,500
Incidental fees	AUD \$550
Total fees	AUD \$14,050
